Why Professional Magician Matias should perform at your party

There are many magicians out there; but even though they all have different programs, it is basically the same children magic show, with the same tricks and a person who tries to act as a child.

However children are changing. They know the old tricks and are becoming more demanding and are seeking new and exciting experiences. I offer that new experience by combining Magic and a Story into one show full of Magic, Humor and Entertainment that includes lot of interaction.

Why Me? Because **I'm a 100% full time Professional Magician, I've studied Magic for the last 14 years, I wrote a book about kids magic for magicians and had given lectures and workshops about it at magic conventions, and I was the best children Magician in Chile**, my original country, performing hundreds of shows per year. It was years and years of practice and dedication and hard working on the perfection **to create a routine made for kids, but where adults can also enjoy it**. With my style, my charming accent, my love for magic and my great stage presence, I'm definitely ready to fulfill your party with the best magic, creating a unique and magical experience for you and your guests.

Are you ready? Then let's take a closer look to my different programs to see which one is the best one for your party.

International Professional Magician Matias Letelier

I'm a 100% full time Professional Magician, performing my Interactive Magic and Comedy Show hundreds times per year. I was one of the best children magicians in Chile before moving to the USA, where I got married with my lovely wife Marlana. But wait, this wasn't just luck...

All began 8 years ago in Chile, where I inherited a magic library from my uncle and Magician Jorge Barriga (1962-2004). It was then when I decided to take this hobby to the professional level fusing it with my business and marketing knowledge. So I studied magic including Theory, Psychology in Magic, Promotional Magic, Corporate Magic, Theatrical Magic, Kids Magic and Communication Skills, and then developed a unique and magical experience where my guests are part of the magic, because magic is not about the magician... magic is about all of us working together letting our imagination flows with the magic. And with my style, my charming accent, my love for magic and my great stage presence and communication skills, I'm definitely ready to take you into the world of magic. That is why I always tell parents to....

Leave the Children Entertainment in my Hands!

¹ The Pontifical Catholic University of Chile is to be considered to have the best Business School of Chile and also it has lots of connections with USA universities and colleges. More information available on www.puc.cl

I highly recommend Magician Matias for your next event. Before my son's party, Matias and I spoke on the phone and he was a great listener. It was evident that he wanted the party guests, and especially the birthday boy, to enjoy the show. When he arrived, Matias transformed our living room within minutes into a professional performance space complete with a glorious velvet curtain for a backdrop. PROGRAMS

I have an extensive trajectory in Children's Magic Show, with shows in Chile and USA, which has given me the experience necessary to make children have a memorable party full of surprises. Thus, with this experience, I have created and designed an amazing routine for children events, where kids and parents will have a fun, magical and unforgettable party.

PROGRAM #1 – KIDS BIRTHDAY SHOW FOR 4 TO 8 YEARS OLD

Have **your child be the star** of the show with this great routine:

- ♣ **Premium Show:** full magic show for children between 4 and 8 years old².
- ♦ 1 Hour Show that includes about **45 Minute of Magic**³ with amazing magic tricks, some of them never seen before in the US! (*Check out the list of tricks in page #12*) And then after the show kids are welcome to pet my bunny “Nube” and have photos with her.
- ♣ Includes the **special birthday child’s performance** (10 minute), and a Magic Diploma
- ♥ **Your child will be dress up as a magician and will help me produce my Magic Bunny “Nube”** and then will also help me in other tricks.
- ♣ **Lot of interaction** with your guests and family
- ♦ Magic gifts for your child and my magic fish for the kids that participate with me and candies for all at the end of the show
- ♣ A **great finale** with a candy production for all the kids and a spectacular confetti explosion!⁴
- ♥ After the show you can include a **Balloon Session** and/or a **Magic Workshop** (See more details in page #6)

² The show can be customized to match your thematic party, if you are planning to have one

³ Due my past experience as well as my children magic studies, a good Magic Show should be around 45 Minutes. And the reason is simple: children need to move and they can't be seated for more than 45 Minute. This is why the best kids magicians, including me, after discussing this for a long time, decided to perform for 45 Minute. However, if you want I can prepare a shorter/longer routine.

⁴ The confetti explosion is a great finale, but you can choose if you want to have it or not. I use paper confetti easy to clean.

Experience the Magic and Let It Amaze You

PROGRAM #2 –MAGIC SHOW FOR +9yo AND FAMILY SHOWS

This is an Interactive Magic and Comedy Show specially designed for older kids and Family Shows

- ♣ **Premium Show:** full magic show for older kids and family shows
- ♦ About **45 Minute of Magic** with amazing and new magic tricks, some of them never seen before in the US! (*Check out the list of tricks in page #12*)
- ♣ Includes the **celebrated person performance**
- ♥ **Your child will experience how is to be a magician** and will perform a trick in front of his/her friends or make a bunny appear⁵
- ♣ All your guests and family will be part of the show
- ♦ **Lot of interaction**
- ♣ Magic gifts for your child and my magic fish for the kids that participate with me and candies for all at the end of the show
- ♥ A **great finale** with a candy production for all the kids and a spectacular confetti explosion!
- ♣ After the show you can include a **Balloon Session** and/or a **Magic Workshop** (See more details in page #6)

PROPOSAL #3 – THE BUNNY-BALLOON SHOW FOR 2-3 YEARS OLD

I have created a special show for the little ones; a show where they will enjoy some magic tricks, including my **magic bunny** production, and then **they will have lot of animals balloons.**

Why did I creat this show? Because lots of parents wanted to have me perform at their little child's party. But kids at the age of 2-3 doesn't know what is going on in a show, specially with the magic. Even that they love when I produce my magic bunny, sometimes they can't enjoy my full magic show as an older kid will definitely do. But then I decided to work out a special show for them. This is how the **Bunny Balloon Show** was born: by thinking as a child, trying to make them have a great and magical day!

So if you are planning on having a party for newborn to 3 years old, then this is the perfect Show for your party! The show will start with some easy-to-follow magic until I produce my magic bunny, then I will do a magic trick where all the child will participate, followed by animal balloons for all of them. And in the end I will produce candies for all of them and maybe the confetti explosion if you wanted to!

⁵ For older kids (more than 10yo) I usually don't perform the bunny trick because they see it as a kid magic. However, if you would like me to perform the bunny trick, just mention it and I will be more than happy to do it at your party.

Show Requirements

I want to do things easy for you. This is why I bring everything, including my backdrop and basic sound system. However, for a better show, you should keep the followin on mind.

STAGING

If you are having the show inside your house you would need to know that...

- ◆ Most of the time kids like to be seated in the floor. However I recommend you to have some seats in the back for the adults. This will organize the room for a better show.

When planning to have the show on a big venue...

- ♣ If the audience size exceeds 80 people, it is recommended that there is a big area for the show and a riser at least 12 feet deep and 20 feet long.
- ♥ If the stage is to be shared with another performer, please call to discuss.
- ♠ If the room is rectangular, place the stage in the middle of the long side of the rectangle. The room then becomes more intimate and makes for a better show.

SOUND

If you are having a small party then don't worry, basic sound system is included in every package. However, if you are having a big party, for a better quality show I recommend you to have a Professional Sound System (PSS). But if you have a restricted budget, don't worry about it. I can still do a great show without the PSS.

I work with a professional sound technician who provides all the PSS for the show and his rate is \$ 100.00 (travel fees may apply depending on the distance). Also, if you want a DJ for your party, he can stay for the whole event for a very convenient rate (to be discussed with you).

LIGHTING

No special lighting is needed if the *performing area* is easily viewed with the house lights up. However, if it is a dark room, I recommend you to add some lights.

STAGE ILLUSIONS REHEARSAL

Rehearsal for the magical introduction can be done the same day of the event. Allow 1 hour rehearsal at least 2 hours before the show. In other words, if the show began at 3pm, then rehearsal should start at 1pm with no interruptions.

Magician Matias Show Description

My Kids Show routine is a **magic show told as a story**, where each trick represents the different parts of my life story, making the show a whole new experience!

Show Structure

FIRST PART

In this part I do all the following tricks:

- **Fire Book:** A great overture where I get on stage with a fire book, inviting the guest to join the magic show (children must be 6+ years old to see the fire book unless special request of the parents).
- **Magicians don't hide things:** After being registered by a spectator, I will pull of a 20ft rope out of my jacket and then I will produce a glass full of water.
- **I'm thirsty!:** I will then explain how I become a magician when I was at my uncle's house. He was a great magician who had prepared something magical for me when I got thirsty! He gave me a bottle full of apple milk and I had to drink it all... unless I make it disappear!
- **Prove me you are a magician:** I will continue my story by showing you how I prove my uncle that I can also do magic by vanishing a Ketchup bottle with everybody's help.
- **I need an assistant (your child becomes a magician):** your child will be dress up as a magician.
- **Magic dust:** your child and I will transform magic silks into real magic dust. Then will use them to make my magic bunny "Nube" appears.

SECOND PART

In this second part, depending on the type of show I will do some of the following tricks:

- **Coloring book:** By using the magic dust we will put some color on a magic book. Great for kids!
- **Hoppin Spots:** Matias will show us how magicians perform a trick with and without magic.
- **Plan "M", the "mouth":** Great comedy trick! The magician will do an experiment with some papers but it goes wrong. Then he will explain there is a plan "M", the Mouth! And then he will start pulling out papers from his mouth.
- **Indian Rope:** A regular rope will stay straight with the mental power of the magician and one of the guests.
- **Silk socks:** a funny trick where a silk and a sock will change places in a magical way.
- **Water Ritual:** hilarious routine where the magician and one of your guests will make some water disappear.
- **Hey! You drank my water!:** another great comedy routine where some child will drink some water and then the magician will try to take it out of him/her. This is a classic game turned into a great routine.
- **Do it yourself!:** Magician Matias will teach how to do a magic trick with a glass of water and a newspaper. A classic kids trick!
- **Magic sketch pad:** amazing trick where the guest will draw lines on a sketch pad. Then by using a lighter, the lines will turn into your child's name or something else. Very cool trick! (children must be 6+ years old)
- **Big Wand appears:** Great production of a big wand from a little box.

Experience the Magic and Let It Amaze You

- **Guess who is here!:** Magician Matias will bring a photo of one of your guest. Then he will ask everybody to write down their names on a piece of paper. And after take one out, he will show that both match.
- **Impossible Miracle:** very interactive game where your guest will create a card that will match with some prediction. This is the best trick ever!
- **Shrinking and Growing Head Illusion:** the name tells everything!
- **Egg on the cup!:** A great comedy trick that Magician Matias created to amaze you! 4 coups are mixed. Each one has a number. After the audience chose a number they are placed in 3 spectator's heads. Then they will have to crush them! But wait! One of them has an egg!
- **"News" illusion:** this is a great illusion in which your guest will answer some questions. Then the magician will reveal a prediction with all the answers that were given before.
- **Bill in the lemon:** a classical game where one signed bill will appear inside a lemon!
- **Blackboard Prediction:** The magician will ask your guests to randomly select five numbers. These numbers will be put in any order on a blackboard that had prediction that will match each number and its order.
- **Experiences Routine:** a great routine in which one of your guests will experience what it is like to be a magician by performing a trick. This is an unforgettable experience.
- **Exploding Crystal Glass Illusion:** the magician will make a glass explode by using everyone's mind powers.
- **Follow the Lady:** hilarious trick in which you will have to follow a card (Queen of Hearts) that is held by a spectator. 100% laughs guarantee.
- **Impossible Miracle:** very interactive game where your guest will name a card. The interesting part is that there is a prediction made by the magician before then trick began that matches this card.
- **Light in my hand:** the magician will play with a red light in his hand and then he will throw it to a screen where they will dance to finally create the name of the Venue, wedding Couple or other.
- **Magic Sketch pad:** The Magician will ask the guests to sign a book. Then he will make all the lines turn into the name of the Venue or the newlyweds.
- **Rising Card Illusion:** great trick in which the magician will make a spectator's card rise up in a sketch pad.
- **Sands of the Desert illusion:** very visual trick where the magician will make some clear water turn dark. Then he will show three different colored sands and mix them all. After that he will separate them out one by one and then will make the water turn clear again.
- **Interconnection:** a funny trick where to guests will have to find the same card on different decks.
